Dear Sir or Madam:

In our list of fellowships and grants, which we distribute for Graduate Center faculty and students, we included last year your **Research Grants.** There was no deadline for applying to this program.

I would like to know a) if this program still exists, b) if yes, what is there a deadline this year, and c) were any changes made in the program.

Would you be kind enough to forward to me any relevant information concerning the above program?

Thank you very much.

Sincerely,

Yael Bat-Chava
